September

Apple Days >>>

Due to Covid-19, Apple Days will be turned into a virtual event on October 3rd. However, HASFR will still be selling slices of pie and ice cream at the Custer House. Also, pre-sales for apple pies will be ending September 2nd!

Message From Our Pie Queens

Each year on Apple Days, the Historical And Archeological Society sells Libby Custer's famous apple pies. In the early 1980s her recipe was found in the walls of the Custer house during a time when the building was being renovated. We still use the same recipe every year to make the pies and they are delicious. If you'd like to help make Libby Custer's famous apple pies, please contact us and sign up to volunteer during Apple Pie Making Week! The 2020 Pie Queens welcome all ages to help!

- Kristin Jopling and Katina Jackson
