Greetings, HASFR Members and Friends,

First, I wanted to share how honored I am to be the HASFR President this year. I would like to thank our 2018-2019 board for all their contributions last year. They laid the groundwork to make this year shine! I have no doubt this board will do amazing things this year.

I am excited to be part of this wonderful organization and all it represents in promoting and preserving the history and traditions of this great installation. With so much to do, I am grateful for an awesome and experienced board this year who has hit the ground running, planning events and researching new projects. August will be a busy month starting with the annual HASFR Ice Cream Social and Membership Drive to be held on Sunday Aug. 11. Come enjoy some ice cream and Libby Custer's apple pie. Next

We look forward to sharing our history with you and your family!

up, it wouldn't be Fall in Fort Riley without Apple Day held on Sept. 21. Pre-order our famous Libby Custer Apple Pie and don't forget to sign up to help make the pies! Please add these dates to your calendar so you don't miss out on all the excitement. You can expect to see some of our traditional elements at these events, plus some new additions.

Fall is a busy time for our organization, but I must say, when one thinks of Fort Riley in the Fall, they think of the Big Red One, Apple Day featuring Libby Custer's apple pies, the Ghost Tours, and the beautiful Tour of Homes. We are proud of the HASFR contributions to these statement events. We are already hard at work to make these annual Fall events the best yet and to add new projects and other offerings to our community throughout the year.

Of course, none of this would be possible without the wonderful volunteers in HASFR.

See you soon!

Warm Regards,

Darlene Stamm

HASFR President
